

Statistics in Print Sources

This guide will help you to identify print sources for statistical data in various subject areas. All sources listed are found in the Reference section and may not be checked out, although some of these sources are also available online. A list of additional statistics sources, including online sources, can be found in the *Guide to Statistics Sources* on the CSC Libraries' website:

<http://library.stkate.edu/guides/stats.html>

GENERAL STATISTICAL SOURCES:

***Statistical Abstract of the United States.* REF HA202 (Annual)**

The standard summary of U.S. social, political and economic statistics.

Supplements to Statistical Abstract:

- ***County and City Data Book.* REF HA202 .A36**
- ***State and Metropolitan Area Data Book.* REF HA202 .S84**

***Demographics of the U.S.: Trends and Projections.* REF HB849.49.R875 2003**

***State Rankings: A Statistical View of the 50 United States.* REF HA203.U17 2002**

Provides comparative statistical data for each state, including education, crime, health, taxation and government.

***Profiles of America v1-4.* REF HT123.P762 2003**

Statistical, historical and descriptive information covering most of America. Nice one-stop shop for statistical data.

SOCIAL STATISTICS:

***Kids Count Data Book: State Profiles of Child Well-Being.* REF HQ792 .U5 K53 2002**

Statistics on the educational, social, economic, and physical well-being of children.

***American Attitudes.* REF HN90.P8 A527 2005**

Opinions and beliefs of Americans on a wide range of issues.

***Growing Old in America* REF HQ1064.45 G76 2002**

Demographics, employment, health, and safety of older Americans.

***American Generations.* REF HC110.C6 M545 2005**

Compares statistical information from five living generations of Americans, beginning in 1933 and ending with those born in 1994.

***The Millennials: Americans Born Between 1977-1994.* REF HQ796.M4797 2006**

Information on the demographics of the post-Gen. X generation.

***American Sexual Behavior.* REF HQ18.A455 2006**

Demographics pertaining to sexual activity, fertility, and childbearing.

BUSINESS AND ECONOMICS:

***American Incomes.* REF HC110.I5 A447 2005**

Demographics of house-hold incomes, gender specific incomes and poverty.

***Business Statistics of the United States.* REF HC101.A13122 2007**

Provides recent and historical about the U.S. economy and major industry groups.

***Best Customers.* REF HC79.C6 R87 2006**

Examines who is spending money on what products.

***Handbook of U.S. labor statistics: Employment, Earnings, Prices, Productivity, and Other Labor Data* REF HD8051.H36 2008**

***Household Spending.* REF HC110.C6 034 2006**

Provides information on purchase information for American households. Also contains market shares and spending indexes.

***United States Foreign Trade Highlights.* REF HF3000.U63 2005**

Nice source for discovering trends in United States foreign trade, including both imports and exports.

***Housing Statistics of the United States.* REF HD7293 .A1 H654 2001**

Statistical compilation covering household demand, financing, production and investments; each section begins with helpful overview of topic.

CRIME:

***Crime in the United States.* REF HV6878.A3 2001**

Report from the FBI with crime statistics.

***Child Abuse and Domestic Violence.* REF HV6626.52.C43**

EDUCATION:

***Digest of Education Statistics.* REF L11.D54 (Annual)**

Statistical information covering American education in pre-k through grad school.

***Education State Rankings 2002-2003.* REF LA217.2 .E382 2002-2003**

Rankings by state based on a variety of data sets for pk-12 education. Includes enrollment, teacher salaries, special ed., test scores, class size, and others.

***Education Statistics of the United States.* REF LA201 .E38 2000, 2001, 2003**

Data from the NCES and Census covering school enrollment, educational attainment, education statistics by state and for entire county.

***The Comparative Guide to American Elementary and Secondary Schools.* REF LB2817.3.C66**

HEALTH:

***American health: Demographics and Spending of Health Care Consumers.* REF RA445.A442 2005**

Focuses on health-care consumers' mental and physical well-being.

***Using and Interpreting Statistics: A Practical Text for the Health, Behavioral, and Social Sciences.* REF QA276.12.C675 2007**

***Access to Health Risk Behavior in the United States: A State-by-State Look at Teens and Adults.* REF RA776.9.A245 2004**

***Portrait of Health in the United States* REF RA407.3.P67 2001**

Physical and mental health statistics by demographics.

INTERNATIONAL:

***2005 Demographics Yearbook.* REF HA17.D45 2005**

Comprehensive international collection of national demographics statistics.

***World Statistics Pocketbook.* REF HA154.W67 2001**

Economic, social, and environmental statistics of nations worldwide.

WOMEN AND FAMILY:

***American Women: Who They Are and How They Live.* REF HQ1421 .A486 2006**

Federal government statistical sources cover issues including women's attitudes, business, education, health, spending and wealth.

***The American Women 2003-2004.* REF HQ1421.A476 2003**

Statistical data pertaining to young women today in the U.S.

***The Routledge Historical Atlas of Women in America.* REF HQ1410.P68 2000**

***Child Welfare Outcomes 2003.* REF HV741.C53545 2003**

***Statistical Handbook on the World's Children.* REF HQ767.9.K385 2002**

Statistical information on children drawn from organizations such as United Nations, World Health Organization and U.S. Census Bureau.

***World's Women Progress in Statistics* REF HQ1154.W675 2005**

Covers population, families, health, work, and world affairs pertaining to women worldwide
